D Disha Shree

Java | Python | C | HTML | Problem-Solving | Coding Enthusiast
Jamshedpur, Jharkhand, India

Summary

Creative, disciplined, and results-driven — I bring a unique mix of artistic flair, leadership, athletic spirit, and analytical problem-solving. A trained classical dancer, award-winning artist, state-level badminton player, and former Head Girl, I thrive in both competitive and collaborative environments. Passionate about mathematics and coding, with a track record in Olympiads, I aim to blend creativity with technology to excel in every challenge I take on.
